

It's easier to take control of your diabetes.

Learn more about your plan's diabetes benefits.

Managing diabetes can be hard, but Cigna HealthcareSM is here to make it easier. Your health plan offers a range of diabetes benefits at no cost to you. And that means you have less to worry about on your journey toward better health.

For plans other than Enhanced Diabetes Care plans:

Reduce costs with our **Patient Assurance ProgramSM** and pay no more than \$25 for a 30-day supply (or \$75 for a 90-day supply) of the insulin and diabetes medications listed below. Also, your deductible doesn't apply to these medications.

Insulins: Basaglar[®], Humalog[®] (except vials), Humalog Mix, Humulin[®]

Non-Insulins: Farxiga[®], Jardiance, Jentadueto, Jentadueto XR, Synjardy, Synjardy XR, Tradjenta, Trulicity[®], Xigduo[®] XRs, Mounjaro[®]

If you're not taking a medication on this list, you can call your doctor's office and ask if one of these medications will work for you.

Individual and Family Plans

Cigna Health and Life Insurance Company or its affiliates
