

# Asthma and COPD Support

See how a new benefit can help you save on the medications and supplies you need.

When you have asthma or chronic obstructive pulmonary disease (COPD), controlling your condition is key. That means having the right meds and supplies when you need them. To make things easier on you and your wallet, we have a new benefit that'll help you save.

## What:

Copay Maximum Benefit

## Where:

Bronze non-standard plans in all states

## When:

Now available for 2026

## How does it work?

1. Fill your asthma or COPD prescription. This includes medications, peak flow meters and spacers.
2. Pay a lot less. Tier 2 medications are \$20 and Tier 3 medications are \$95. Spacers and flow meters are \$0, and your deductible is waived.

## What's covered? Find out in the chart below.
